There are many ways our members are saving money.

Direct repair costs

Repairing even minor damage in a repair shop is very costly. As a Schmick member, you'll just pay the low membership joining fee and a low member repair fee for all repairs received (Refer to T&C's for repair guidelines).

Insurance

Putting small repairs and blemishes through your insurance company can affect your no claim bonus and result in higher car insurance premiums. We don't offer an insurance product – so our repairs won't affect your claims record or your insurance premiums.

Convenience of mobile repairs

At Schmick we understand your time is precious which is why our fully equipped mobile repair technician will come to you. All repairs can be done at your convenience; in your home driveway or at work. This helps minimise loss of your motor vehicle and costly down time.

Note: Restrictions apply on where vehicle's can be repaired.

** Repair fee for a single repair at time of printing. Subject to change.*
